

## Decime – Privacy Policy

**Last updated:** 17<sup>th</sup> April 2026

---

### 1. Overview

Decime is designed to be a simple, privacy-friendly decision tool.

We aim to collect as little personal data as possible.

This Privacy Policy explains what data is used, how it is handled, and your rights.

---

### 2. Data We Collect

#### We do NOT collect:

- Names
  - Email addresses
  - User accounts
  - Passwords
- 

#### We may process:

##### a) User Inputs

When you enter a decision or question, that content may be processed to generate a response.

##### b) Usage Data (Local Only)

Some data is stored **locally on your device** (not on our servers), such as:

- Number of decisions used
- Remaining credits
- Basic app state

This data is stored in your browser (e.g. localStorage).

---

### 3. How Your Data Is Used

We use data only to:

- Provide decision responses
- Operate the app functionality
- Track usage and credits (locally)

We do not use your data for:

- Advertising
  - Profiling
  - Selling to third parties
- 

#### 4. Third-Party Services

Decime may use trusted third-party services to operate:

##### AI Processing

User inputs may be processed by external AI providers to generate responses.

##### Payments

Payments are handled by secure third-party providers (e.g. Stripe).

We do not store your payment details.

---

#### 5. Data Storage

##### Local Storage

- Most user data is stored **only on your device**
- If you clear your browser data, this information may be lost

##### Server Processing

- Some data (e.g. questions you submit) may be temporarily processed by external services to generate responses
- 

#### 6. Data Retention

We do not maintain user accounts or persistent personal data.

Third-party services may temporarily retain data as required to provide their services.

---

#### 7. Your Rights (UK / GDPR)

Depending on your location, you may have the right to:

- Access your data
- Request deletion
- Object to processing

Because Decime does not store personal data centrally, most data remains under your control on your device.

---

## **8. Cookies**

Decime does not use cookies for tracking or advertising.

If this changes in the future, this policy will be updated.

---

## **9. Children's Privacy**

Decime is not intended for children under 13.

We do not knowingly collect data from children.

---

## **10. Changes to This Policy**

We may update this Privacy Policy from time to time.

Continued use of the service means you accept any updates.

---

## **11. Contact**
